

Cookie Policy

Last updated: 2023-05-11

This website uses cookies to provide you with a better browsing experience and to analyze website traffic. By using our website, you consent to the use of cookies in accordance with this Cookie Policy.

What are cookies?

Cookies are small data files that are placed on your device when you browse our website. Cookies allow our website to recognize your device and preferences, and they can also collect information about your browsing activity and behavior.

Types of cookies we use

Analytics cookies: We use analytics cookies to collect information about how visitors from the United States use our website. We use Google Analytics to collect this information. This information is used to analyze website traffic and to improve our website's performance. The information collected by Google Analytics is anonymous and does not identify individual users. Google Analytics cookies may also be used for marketing purposes to show you ads based on your interests. To learn more about the cookies controlled by Google Analytics, please visit the following link: <https://policies.google.com/technologies/cookies?hl=en-US>.

Marketing cookies: We use marketing cookies to personalize content and ads, and to provide social media features for visitors from the United States. We use Facebook to set these cookies. Facebook may use cookies to collect information about your browsing activity and behavior, and to show you personalized content and ads based on your interests. To learn more about the cookies set by Facebook, please visit the following link: <https://www.facebook.com/business/help/471978536642445?id=1205376682832142>.

Strictly necessary cookies: We use strictly necessary cookies to provide essential services on our website, such as maintaining an active user session for all visitors. These cookies are necessary for the website to function properly and cannot be disabled. We set the "__Host-_" cookie to reference an active user session.

Cloudflare cookies: This website is served by Cloudflare, and Cloudflare may also set first-party cookies for all visitors in accordance with their cookie guide, which can be found at the following link: <https://developers.cloudflare.com/fundamentals/get-started/reference/cloudflare-cookies/>. These cookies are used to improve website performance, security, and reliability.

Managing cookies

You can control the use of cookies on our website through your browser settings. Most web browsers allow you to delete or disable cookies, and you can also choose to receive notifications when cookies are set. However, please note that disabling cookies may limit your ability to use certain features of our website.

Changes to this Cookie Policy

We may update this Cookie Policy from time to time to reflect changes in our use of cookies. We encourage you to review this Cookie Policy periodically for any changes.
